An in-depth look at the growing Republican movement in Cameron County.

CCRP Chairwoman's Corner

I am a huge fan of “outside the box” thinking and there’s no doubt President Trump is too. Evidence of this can be found by the recent news story detailing how the White House North Lawn was recently lined with “100 mugshots of deported criminal illegal aliens”. What a clever idea and what a BOLD statement! What a necessary statement after the media has attempted to conceal the truth for years regarding the countless criminals that have crossed our borders. Perhaps the reason this story struck a

chord with me is because I see it as a poignant example of “good triumphing over evil” and the importance of being bold.

In Cameron County we are in the middle of local elections for a variety of positions such as school board and city commission. Historically speaking, voter turnout is minimal for positions such as these. Voter apathy oftentimes leads to some less than desirable candidates getting elected. So here’s my challenge for each of you reading this—be bold. Get out of your comfort zone and call and/or text a minimum of 5 people and ask them if they have voted. Send them our Election Day (Saturday, May 3, 2025) polling locations—we have 54 polling locations open on Election Day! Since Cameron County implemented the Countywide Polling Place Program, one can vote at ANY of the 54 polling locations on Election Day. Polls will be open from 7AM-7PM on Saturday, May 3, 2025.

Now is the time to be bold. Now is the time to encourage/remind others to vote and to vote for candidates that BEST reflect our conservative values. You may even have to put a few yard signs up... How else will good triumph over evil if we do not use our voice in the voting booth?

See you on the frontlines,

April Recap

The Cameron County Republican Party held its monthly meeting on Tuesday, April 29th at 6:00PM at Mi Torito Restaurant in Brownsville.

We had over 55 people in attendance and 6 candidates running for a variety of positions spoke.

April 16th was National Librarian Appreciation Day and our volunteers had the opportunity to surprise a few of our local librarians with some delicious cookie platters as a thank you for all they do for our community!

A journalist from The Guardian joined us as well as he is currently working on covering President Trump's first 100 days in office and the local Starbase election.

Sylvia Escamillia (Chair of our Community Engagement Committee) gave an exciting update regarding their outreach efforts throughout the county!

Thank you to CCRP Precinct 67 Chair, Carolyn Dunkin, and Community Engagement Committee Chair, Sylvia Escamilla, and Precinct 48 Chair, Celena Cisneros, for their volunteer efforts! They worked very hard to ensure cookie platters were delivered to the following 5 libraries in Cameron County: Brownsville Main Branch, Brownsville Southmost Branch, Ethel Whipple Memorial Library, Laguna Vista Public Library, and Harlingen Public Library.

The Cameron County Republican Party was proud to sponsor and volunteer at the RGV Fishing Area and Waterway Cleanups event on Saturday, April 12th. Volunteers from all over helped clean Boca Chica Beach—a local treasure. Fun fact, 3,860 pounds of trash was collected by 81 volunteers in a 4-hour time frame!

Meet Your CCRP Precinct Chairs

Hey everybody! I am Celena Cisneros, your Cameron County Republican Party Precinct 48 Chair (located in Brownsville). I recently graduated from the University of Texas–Rio Grande Valley (UTRGV) with a degree in biology. During my time in college, I was a part of the Turning Point USA chapter. I served as an event coordinator for the chapter for one year and then I had the privilege of becoming the chapter president for three years. During my time with TPUSA, I attended several conferences across the United States where I was able to share my story about how unique Brownsville and UTRGV really are. Now as a graduate, I am following in my father's footsteps and I am currently in the middle of the application process for Customs and Border Protection. Like my father, I too desire to protect our country along the ports of entry!

DONATE NOW

From the 2020 Primary Election to the 2024 Primary Election Cameron County saw a 44% increase in Republican voter turnout. The enthusiasm that this past presidential cycle brought about is no doubt monumental for our county. With so much enthusiasm in what has long been deemed a Democratic stronghold in Texas, we (the local Republican Party) feel it is our mission to continue to help propel the movement forward. We are up against the "swamp" as President Trump would say. In 2023, George Soros donated \$100,000 to the Cameron County Democratic Party and they are hard at work trying to ensure that Cameron County remains blue. We are diligently fighting to counter their efforts and your donation will enable us to do exactly that. On behalf of the Cameron County Republican Party, we thank you for your support.
